COVID-19 Updates:

- [CDC Publication: Implementation of Mitigation Strategies for Communities](#)
- Governor issued [declaration of emergency to free up resources](#)
- [CDC Publication: Keeping Workplaces, Homes, Schools, or Commercial Establishments Safe](#)
- Public Health will provide FLU vaccines for anyone 6 months and older free of charge; Call 907-225-4350 for an appointment.
- State Department [Emergency Notification March 9, 2020](#) states “U.S. citizens, particularly travelers with underlying health conditions, should not travel by cruise ship.”

COVID-19 Talking Points:

- We continue to have no confirmed cases of COVID-19 in Ketchikan
- If that changes in the future, we will work diligently to ensure the public is notified and to take all actions necessary to respond to the situation in order to protect our community.
- Just as we are planning and preparing, we ask the Ketchikan community to plan and prepare. The recommendations below you can help reduce the stress placed on the healthcare system and medical providers allowing them to be available for those who need assistance.
 - Wash your hands regularly for at least 20 seconds with soap and water
 - Cover your cough or sneeze
 - Limit contact with others who are sick
 - Stay home if you are sick except to seek medical care
 - If you need to seek care, call your provider **BEFORE GOING IN!**
