(Significant changes from previous situation reports are in red)

EOC Activation Level: The EOC began operating at Level 1 at 2pm on Tuesday March 3, 2020. This level is intended to cover the period before an emergency where there is forewarning of an impending situation that can be monitored to evaluate conditions as they emerge, grow, or dissipate. During this period a daily Situation Report will be sent out to EOC Staff **before 1pm** each day Monday - Friday.

- Governor issued [declaration of emergency](#) to free up resources
- [CDC Publication](#): Keeping Workplaces, Homes, Schools, or Commercial Establishments Safe

COVID-19 Talking Points:

- We continue to have no confirmed cases of COVID-19 in Ketchikan
- If that changes in the future, we will work diligently to ensure the public is notified and to take all actions necessary to respond to the situation in order to protect our community.
- Public Health is providing FLU vaccines for anyone 6 months and older free of charge; Call 907-225-4350 for an appointment.
- Just as we are planning and preparing, we ask the Ketchikan community to plan and prepare. The recommendations below you can help reduce the stress placed on the healthcare system and medical providers allowing them to be available for those who need assistance.
 - Wash your hands regularly for at least 20 seconds with soap and water
 - Cover your cough or sneeze
 - Limit contact with others who are sick
 - Stay home if you are sick except to seek medical care
 - If you need to seek care, call your provider **BEFORE GOING IN!**
