## \*\*COVID-19 HEALTH ALERT\*\*

### Protecting Grocery Shoppers from COVID-19

#### What If You Are Healthy and Need to Go to the Grocery Store?

- Call ahead to order and take advantage of delivery or curbside pickup options.
- Do not linger at the store.
- Wash your hands with soap and water before and after you go to the store.
- Avoid touching your nose, face and mouth.
- Use hand sanitizer that is at least 60 percent alcohol. Use sanitizing wipes for the grocery cart.
- Stay six feet away from others.
- When possible, use touch pad check-out and credit card for purchases.
- Bring your own pen for the checkout transaction.

#### What the Grocery Stores Are Doing to Assist With Social Distancing?

- Offering order ahead and delivery options. Call the stores directly for specific store information. Safeway is offering curbside pickup
- Ceasing self-serve food products in deli sections. The deli counters remain open for store staff to package food for customers.
- Social distancing and COVID-19 messaging is being played over the audio system
- Checkout floor areas are marked as six feet apart for customer guidance on where to stand while waiting in line.
- Descriptive signage is displayed for purposes of traffic flow for shopping in aisles
- A&P is using every other register only
- Special shopping hours have been set up for senior citizens and those citizens who may be at a high risk if exposed to COVID-19.

#### Please help in protecting our community:

- Stay home if you're feeling sick.
- Keep social distance while in the store (two arms-length from other shoppers).

- Use "tap and pay" if possible to limit handling of cash.
