COVID-19 Ketchikan Specific Information: Ketchikan Gateway Borough [COVID-19 Response Page](#)

COVID-19 Unified Command Objectives:

- Safeguard health & safety of personnel and the public
- Slow/stop the spread of COVID-19
- Increase COVID-19 testing capacity
- Care for the sick
- Provide public information
- Mitigate community/economic impact

COVID-19 Ketchikan EOC Actions:

- EOC - All command and general staff positions have been filled and the EOC has entered steady state operation.
- Peace Health has a 9 bed COVID-19 unit with ability to add approximately 50 additional beds for moderate COVID- 19 patients by repurposing other areas of the hospital.
- UC coordinated with the Tlingit and Haida Central Council they are committed to working with the Native community and their neighbors and offered their support to the efforts of the Ketchikan EOC.
- The UC is developing a plan to provide guidance regarding re-opening of businesses and facilities to include process and timing considerations.
- Operations and Unified Command staff continue to ensure all Local providers are committed to working with EOC to increase testing capacity and share data regarding number of tests completed and PPE used and available.
- Three drive-thru test sites planned to offer testing to all people symptomatic once enough test kits/resources are available.
- Logistics section ordered 19,200 N95 masks and 700 test kits. The first 100 test kits are scheduled to arrive by 4/1 (delayed) and the remaining 600 by 4/15.
- A local phone number is set up for individuals without a provider to call for screening and possible referral to a provider or a drive through testing site once available. The phone number is 907-247-TEST (8378) and will be available M-F 8am – 6pm, Sat 10am – 4pm, and closed on Sunday. The COVID-19 Hotline has taken 48 calls and generated 1 referral for testing as of 4/3 at 9am. **Note the Ketchikan area box holder mailers went to mailboxes today with the hotline on it.**
- Operations section continues to collaborate with Peace Health to assist in the implementation of their surge capacity plan and identify and obtain alternate testing options.
- Logistics is working on defining the needed surge capacity, needed equipment, and a possible location.
- **Operations has determined that the City public works lab has the ability to produce hand sanitizer based on a CDC formula and began planning for production on Monday. Planned distribution will initially be public buildings and local non-profits.**
- Peace Health anticipates a shortage of nursing staff to support caring for COVID-19 patients. The Unified Command reached out to the state to find out the possibility of licensing being re-instated for retired nurses and found out the issue is being dealt with by DHHS.
- Finance section and PIO office are developing an information campaign to communicate resource and funding programs designed to provide aid to individuals and businesses.
- PIO office updated the COVID-19 website with economic impact and survey information from the Chamber of Commerce and Visitor's Bureau.
- Finance Section sent an email to all local 539 businesses with an email on file with the Borough to inform them the Ketchikan Chamber of Commerce page that will provide updates on of services and provisions available for affected businesses.
- PIO office continues to release multiple social media updates throughout the day, produce a daily ad for the Ketchikan Daily News (4/6 Beware if Scams) and a daily press release; finalized a weekend insert for KDN with community resource information.
- **The PIO office hung five large banners from Wal-Mart to Tatsuda's to re-iterate the social distancing message (artwork courtesy of Matt Hamilton).**
- PIO office has produced signs to be placed at bus stops, on busses, and at parks, fields, and recreation areas to remind patrons of Health Mandates 10 and 11 requirements of social distancing and congregations of 10 or less, and to CLOSE playground equipment, Rotary/Bugges Beach, South Point Higgins Beach, and Saxman Parks.
- The Liaison Officer is conducting daily outreach with elected officials to address concerns and share information.
- Resources Unit Leader has developed a spreadsheet for tracking interested volunteers and capabilities for future use.
- Existing shelters cannot socially distance, quarantine, nor isolate due to small size and large population. The Shelter Group is working to extend operations to 24 hours in order to reduce opportunities for introduction of COVID 19 to this vulnerable population. **Logistics and Operations outfitted the Rec Center and it will open as an emergency homeless shelter Monday; 24 hour operations will begin as soon as possible thereafter.**
- Medical supply donations can be dropped off at Saxman Community Center from 9am to 4pm Mon-Fri.
- **The Finance Section has prepared a cost accounting spreadsheet for labor, materials, and other services associated with the direct and support functions of the EOC and will be reporting this information to the EOC Policy Group.**
