- Phase 1 of the Governor’s plan to reopen Alaska’s were released EOC Staff will review and update objectives as necessary.
- **Public health will be reaching out to populations that have barriers to testing, particularly the ability to pay for it.**

Operations

- The testing hotline number 907-247-TEST (8378) is available M-F 8am – 6pm, Sat 10am – 4pm, and closed on Sunday to screen and refer symptomatic individuals for testing. To date the hotline has taken **93** calls with 10 testing referrals.
- **Started planning to transition homeless shelter back to Methodist Church with normal operations by 05/03/2020**
- Shared testing guidelines and PeaceHealth Testing Referral form with providers and encouraged them to increase testing.
- **Refined testing decision flowchart for local providers to mirror Alaska testing guidelines for all symptomatic patients.**
- **Efforts to find a facility with the capacity to test our wastewater for COVID-19 continue.**

Planning

- Developing plans/guidance regarding re-opening businesses & facilities to include process & timing considerations.
- Planning Section continues to evaluate seasonal/fishing industry plans & prepare input to regarding potential mandates
- Resource Unit Leader working with local business representatives to prepare recovery plans.
- A new meeting schedule was finalized and the EOC will transition to a 7-day operational period beginning Friday 4/24
- Beginning to evaluate ways to support and encourage re-opening of daycares to assist people returning to work.

Logistics

- **Public Health received a shipment of 100 specimen collection swabs.**
- Testing capacity is increasing. 880 tests are possible as of today and is expected to increase **by** about 2,000 by May 1.
- Evaluating possibility of providing material to local mask makers for the production of more masks for the general public.
- Providers of elective procedures are being notified of a newly identified testing facility in California.
- **New FDA approved testing swabs are incompatible with the rapid testing machines, but may be usable in other machines.**
- **Sourcing large quantities of hand sanitizer as demand is expected to increase significantly.**
- **Shipment of supplies from the Red Cross have been received including additional cots, blankets, and comfort kits.**

Finance

- Identified locations and completed application for approval of non-congregate sheltering outlined in Health Mandate 14.
- Forwarded information on funding opportunities to local nonprofits that work with homeless populations.
- The cost of Ketchikan’s local government response efforts to date is \$793,861 or \$57.31 per capita. In-kind support from State and Federal agencies increases the total to \$1,587,195 or \$114.66 per capita.
- **Completed a request for an extension of the non-congregate shelter approval until May 19.**

PIO

- Continues to release multiple social media updates throughout the day (**Health Mandate 16, Travel mandates, Name that local masked celebrity**) and produce a daily ad for the Ketchikan Daily News (**4/23 Updated State Health Mandates**) and a press release.
