- Mitigate community/economic impact

Community Lifelines

COVID-19 Ketchikan EOC Actions:

- The EOC is fully staffed and is preparing for recovery efforts while remaining vigilant and enhancing preparedness.
- The Ketchikan Daily Situation Report will incorporate “Community Lifelines”: <https://tinyurl.com/yccm5o3f>
- Public health will be reaching out to populations that have barriers to testing, particularly the ability to pay for it.
- Participated in Local Leader Fishing Industry Call; received updates regarding response efforts from SEOC Staff
- Refining objectives, strategies, and tactics for the upcoming operational period.

Operations

- The testing hotline number 907-247-TEST (8378) is available M-F 8am – 6pm, Sat 10am – 4pm, and closed on Sunday to screen and refer symptomatic individuals for testing. To date the hotline has taken 107 calls with 13 testing referrals.
- Started planning to transition homeless shelter back to Methodist Church with normal operations by 05/04/2020
- Refined testing decision flowchart for local providers to mirror Alaska testing guidelines for all symptomatic patients and are review reporting processes. Began updating to align with new testing guidelines released on 4/28.
- Efforts to find a facility with the capacity to test our wastewater for COVID-19 continue. 2 Companies that can do the testing have been identified and contacted.
- Completed preparations and coordination for testing of homeless shelter occupants tonight at 7pm.
- Met with PeaceHealth to discuss updates for reporting/tracking testing data to automate reporting and reduce workload
- PeaceHealth is operating QIAGEN and Abbott ID Now testing in house; effort to secure consistent reagent supply continues

Planning

- Developing plans/guidance regarding re-opening businesses & facilities to include process & timing considerations.
 - Recovery Unit Leader developing draft recovery plans for review by Policy Group.
- Planning Section continues to evaluate seasonal/fishing industry plans & prepare input to regarding potential mandates
- Situation Unit Leader worked with UC regarding implementation plan for Community Lifelines status reporting

Logistics

- Evaluating possibility of providing material to local mask makers for the production of more masks for the general public.
- Developing an EOC policy for distribution of PPE to responders, healthcare providers, and critical infrastructure
- 6 testing machines on Island: PeaceHealth 4 Abbot ID Now & 1 QIAGEN, KIC 1 Abbot ID Now; 2 outside testing companies.
- Testing supplies:

Test kits	Complete	Reagent	Tubes	Swabs
In stock	880	2,240	3,600	394
On order	10,000	1,160	0	510

- Hand sanitizer 64 gallons total; 56 in warehouse; 25 to be produce at City lab by May 6; 98 gallons on order.
- Surgical masks 42,549 total; 11,020 in warehouse; 10,050 on order
- Received confirmation of additional testing supplies and PPE being shipped from SEOC warehouse.

Finance

- The cost of Ketchikan’s local government response efforts to date is \$793,861 or \$57.31 per capita. In-kind support from State and Federal agencies increases the total to \$1,587,195 or \$114.66 per capita.

IO

- Continues to release multiple social media updates throughout the day (Testing Hotline, Thank you Essential workers, Face Masks Slowing the Spread).
- Recorded PSA for increased testing capacity.
- Medical supply donations can be dropped off at Saxman Community Center uphill side from 9am to 4pm Mon-Fri.

LIAISON

- Responded to questions and concerns regarding re-opening.
