COVID-19 Ketchikan Specific Information: Ketchikan Gateway Borough [COVID-19 Response Page](#)

COVID-19 Unified Command Objectives:

- Safeguard health & safety of personnel and the public
- Slow/stop the spread of COVID-19
- Increase COVID-19 testing capacity
- Care for the sick
- Provide public information
- Mitigate community/economic impact

Community Lifelines

COVID-19 Ketchikan EOC Actions:

- The EOC is fully staffed and is preparing for recovery efforts while remaining vigilant and enhancing preparedness.
- The Ketchikan Daily Situation Report will incorporate “Community Lifelines”: <https://tinyurl.com/yccm5o3f>
- Public health **has begun** reaching out to populations that have barriers to testing, particularly the ability to pay for it
- Participated in Local Leader Fishing Industry Call; received updates regarding response efforts from SEOC Staff
- **Refined objectives, strategies, and tactics for the upcoming operational period. New IAP to be published tonight.**

Operations

- The testing hotline number 907-247-TEST (8378) is available M-F 8am – 6pm, Sat 10am – 4pm, and closed on Sunday to screen and refer symptomatic individuals for testing. To date the hotline has taken **112** calls with 13 testing referrals.
- Started planning to transition homeless shelter back to Methodist Church with normal operations by 05/04/2020
- Refined testing decision flowchart for local providers to mirror Alaska testing guidelines for all symptomatic patients and are review reporting processes. Began updating to align with new testing guidelines released 4/28.
- **Continue to communicate with two companies capable of testing our wastewater for COVID-19, and search for others.**
- **Completed testing of homeless shelter occupants and collected 17 specimens for testing.**
- Met with PeaceHealth to discuss updates for reporting/tracking testing data to automate and reduce workload.
- PeaceHealth is using QUAIGEN and Abbott ID Now testing in house; effort to secure consistent reagent supply continues.
- **Will begin setting up hand sanitizer refill stations during the next operational period**

Planning

- Developing plans/guidance regarding re-opening businesses & facilities to include process & timing considerations.
 - Recovery Unit Leader developing draft recovery plans for review by Policy Group.
- Planning Section continues to evaluate seasonal/fishing industry plans & prepare input to regarding potential mandates
- Situation Unit Leader worked with UC regarding implementation plan for Community Lifelines status reporting

Logistics

- Evaluating possibility of providing material to local mask makers for the production of more masks for the general public.
- Developing an EOC policy for distribution of PPE to responders, healthcare providers, and critical infrastructure
- 6 testing machines on Island: PeaceHealth 4 Abbot ID Now & 1 QIAGEN, KIC 1 Abbot ID Now; 2 outside testing companies.
- Testing supplies:

Test kits	Complete	Reagent	Tubes	Swabs
In stock	1374	2,140	3,600	494
On order	10,000	1,160	0	510

- Hand sanitizer 64 gallons total; 56 in warehouse; 25 to be produce at City lab by May 6; 98 gallons on order.
- Surgical masks **44,049** total; 11,020 in warehouse; 10,050 on order; **20 cloth masks in warehouse.**

Finance

- The cost of Ketchikan’s local government response efforts to date is \$793,861 or \$57.31 per capita. In-kind support from State and Federal agencies increases the total to \$1,587,195 or \$114.66 per capita.
- **Trained new PROC on meeting schedule and processes, and began an update to the procurement flowchart.**

PIO

- Continues to release multiple social media updates throughout the day (**Take it slow; Ketchikan Support Network; “Thank You” to local mask makers; Daily Case Count and Testing Update**).
- **Continue to broadcast PSA’s on local radio and television.**
- Medical supply donations can be dropped off at Saxman Community Center uphill side from 9am to 4pm Mon-Fri.

LIAISON

- Responded to questions and concerns regarding re-opening.
