Community Lifelines

COVID-19 Ketchikan EOC Actions:

- The EOC is fully staffed and is preparing for recovery efforts while remaining vigilant and enhancing preparedness.
- The Ketchikan Daily Situation Report will incorporate “Community Lifelines”: <https://tinyurl.com/yccm5o3f>
- Public health has begun reaching out to populations that have barriers to testing, particularly the ability to pay for it.
- **IAP for the new operational period has been posted.**

Operations

- The testing hotline number 907-247-TEST (8378) is available M-F 8am – 6pm, Sat 10am – 4pm, and closed on Sunday to screen and refer symptomatic individuals for testing. To date the hotline has taken **115** calls with 13 testing referrals.
- Started planning to transition homeless shelter back to Methodist Church with normal operations by 05/04/2020
- **A company has been identified to do wastewater testing for COVID-19 pending procurement authorization form.**
- Completed testing of homeless shelter occupants and collected 17 specimens for testing.
- PeaceHealth is using QUAIGEN and Abbott ID Now testing in house; effort to secure consistent reagent supply continues.
- Will begin setting up hand sanitizer refill stations during the next operational period.

Planning

- Developing plans/guidance regarding re-opening businesses & facilities to include process & timing considerations.
 - Recovery Unit Leader developing draft recovery plans for review by Policy Group.
- Planning Section continues to evaluate seasonal/fishing industry plans & prepare input to regarding potential mandates
- Situation Unit Leader worked with UC regarding implementation plan for Community Lifelines status reporting

Logistics

- Developing an EOC policy for distribution of PPE to responders, healthcare providers, and critical infrastructure
- 6 testing machines on Island: PeaceHealth 4 Abbot ID Now & 1 QIAGEN, KIC 1 Abbot ID Now; 2 outside testing companies.
- Testing supplies:
