COVID-19 Ketchikan Specific Information: Ketchikan Gateway Borough [COVID-19 Response Page](#)

COVID-19 Unified Command Objectives:

- Safeguard health & safety of personnel and the public
- Slow/stop the spread of COVID-19
- Increase COVID-19 testing capacity
- Care for the sick
- Provide public information
- Mitigate community/economic impact

Community Lifelines

COVID-19 Ketchikan EOC Actions:

- The EOC is fully staffed and is preparing for recovery efforts while remaining vigilant and enhancing preparedness.
- The Ketchikan Daily Situation Report will incorporate “Community Lifelines”: <https://tinyurl.com/yccm5o3f>
- The Unified Recovery Management Team (URMT) has begun operations, established objectives and five working groups representing different economic sectors, and delegated responsibility for the objectives among the groups.
- Exploring testing options that require less PPE.
- **Began preparations for the new operational period by updating and publishing a revised IAP.**
- **Phase 2 of the Governor’s Reopening Alaska Responsibly Plan begins tomorrow.**
- **Public health is preparing a multi-lingual flyer aimed at populations who have barriers to testing.**

Operations

- The testing hotline number 907-247-TEST (8378) is available M-F 8am – 6pm, Sat 10am – 4pm, and closed on Sunday to screen and refer symptomatic individuals for testing. To date the hotline has taken 125 calls with 14 testing referrals.
- A company has been identified to do wastewater testing for COVID-19 pending procurement authorization form.
- PeaceHealth is using QUAIGEN and Abbott ID Now testing in house; effort to secure consistent reagent supply continues.
- **Locations for hand sanitizer refill stations have been identified and the placement of bottles has begun.**
- **Continue with efforts to support the dental community and reopen that economic sector.**
- **Preparing for drive-up testing operation on Tuesday, Wednesday, and Thursday of next week.**

Planning

- Developing plans/guidance regarding re-opening businesses & facilities to include process & timing considerations.
 - Recovery Unit Leader developing draft recovery plans for review by Policy Group.
- **We have learned that Princess, Holland America, and Seabourn Sojourn have cancelled all calls to Alaska for 2020.**

Logistics

- Developing an EOC policy for distribution of PPE to responders, healthcare providers, and critical infrastructure
- Ordered 150 more test kits from State Virology Lab, ETA Friday.
- 6 testing machines on Island: PeaceHealth 4 Abbot ID Now & 1 QIAGEN, KIC 1 Abbot ID Now; 2 outside testing companies.
- Testing supplies:

Test kits	Complete*	Reagent	Tubes	Swabs
In stock	1,645 (+400)	1,209	2,170	0
On order	12,000	1,170	3,500	510

*This is the total number of test kits available both as complete kits, and as a combination of components.

Finance

- The cost of Ketchikan’s local government response efforts to date is \$793,861 or \$57.31 per capita. In-kind support from State and Federal agencies increases the total to \$1,587,195 or \$114.66 per capita.
- PROC received 400 swabs, and contacted ABBOTT and Quest for routine resupply of test kits.

PIO

- Continues to release multiple social media updates throughout the day (**COVID-19 Response Website; Ketchikan Counts Census Post; Case Count and Testing Capacity Update**).
- **Drafted testing resource flyer and will include information on testing event in weekend ad for KDN.**
- Continues to broadcast PSA’s on local radio and television.
- Medical supply donations can be dropped off at Saxman Community Center uphill side from 9am to 4pm Mon-Fri.

LIAISON

- Responded to questions, concerns, and complaints regarding re-opening.
