(Significant changes from previous situation reports are in red)

## COVID-19 Alaska Specific Information:

- Alaska Department of Health and Social Services [COVID-19 Dashboard](#) , [Health Alerts](#) and [Mandates, Plan for Phase 1](#)

## COVID-19 Ketchikan Specific Information: Ketchikan Gateway Borough [COVID-19 Response Page](#)

## COVID-19 Unified Command Objectives:

- Safeguard health & safety of personnel and the public
- Slow/stop the spread of COVID-19
- Increase COVID-19 testing capacity
- Define end state when EOC can close
- Care for the sick
- Provide public information
- Mitigate community/economic impact

## Community Lifelines

## COVID-19 Ketchikan EOC Actions:

- The EOC is fully staffed and is preparing for recovery efforts while remaining vigilant and enhancing preparedness.
- The Ketchikan Daily Situation Report will incorporate “Community Lifelines”: <https://tinyurl.com/yccm5o3f>
- Phase 2 of the Governor’s Reopening Alaska Responsibly Plan has begun.

## Operations

- The testing hotline number 907-247-TEST (8378) is available M-F 8am – 6pm, Sat 10am – 4pm, and closed on Sunday to screen and refer symptomatic individuals for testing. To date the hotline has taken 132 calls with 18 testing referrals.
- The first 24 hour composite sample has been collected at the City’s Wastewater Treatment Plant for COVID-19 testing.
- PeaceHealth is using QUAIGEN and Abbott ID Now testing in house; effort to secure consistent reagent supply continues.
- All hand sanitizer refill stations have been established and are being maintained.
- Provided testing information to local dentists and the updated testing flowchart to care providers.
- In conjunction with LSC, FSC, and Public Health, prepared for drive-up testing operation next week.
- In conjunction with LSC, began demobilizing Porta-Potties.
- Finalized details for free drive up testing event to take place next week May 12, 13, and 14 from 10am to 3pm

## Planning

- Developing plans/guidance regarding re-opening businesses & facilities to include process & timing considerations.
  - Recovery Unit Leader developing draft recovery plans for review by Policy Group.
- We have learned that Princess, Holland America, and Seabourn Sojourn have cancelled all calls to Alaska for 2020.

## Logistics

- Developing an EOC policy for distribution of PPE to responders, healthcare providers, and critical infrastructure
- Ordered 150 more test kits from State Virology Lab, ETA Tuesday.
- Acquired freezer for storage of collected specimens during Drive-Up testing event.
- 6 testing machines on Island: PeaceHealth 4 Abbot ID Now & 1 QIAGEN, KIC 1 Abbot ID Now; 2 outside testing companies.
- Testing supplies:

| Test kits | Complete*   | Reagent | Tubes | Swabs |
|-----------|-------------|---------|-------|-------|
| In stock  | 1,613 (-32) | 1,209   | 2,170 | 0     |
| On order  | 12,000      | 1,170   | 3,500 | 510   |

\*This is the total number of test kits available both as complete kits, and as a combination of components.

## Finance

- The cost of Ketchikan’s local government response efforts to date is \$793,861 or \$57.31 per capita. In-kind support from State and Federal agencies increases the total to \$1,587,195 or \$114.66 per capita.
- PROC received 400 swabs, and contacted ABBOTT and Quest for routine resupply of test kits.
- FSC and PROC coordinating with OSC on drive up testing operations.

## PIO

- Continues to release multiple social media updates throughout the day (Not out of the woods yet; Playgrounds Opening May 8; Drive-Up testing Clinic; EOC Updates).
- Drive-Up testing clinic: Flyer in school lunch program, weekend display ad; radio PSA; Signs for site.
- Continues to broadcast PSA’s on local radio and television.
- Medical supply donations can be dropped off at Saxman Community Center uphill side from 9am to 4pm Mon-Fri.

## LIAISON

- Responded to questions, concerns, and complaints regarding re-opening.
