- Alaska Department of Health and Social Services [COVID-19 Dashboard](#) , [Health Alerts](#) and [Mandates, Plan for Phase 1](#)

COVID-19 Ketchikan Specific Information: Ketchikan Gateway Borough [COVID-19 Response Page](#)

COVID-19 Unified Command Objectives:

- Safeguard health & safety of personnel and the public
- Slow/stop the spread of COVID-19
- Increase COVID-19 testing capacity
- Define end state when EOC can close
- Care for the sick
- Provide public information
- Mitigate community/economic impact

Community Lifelines

COVID-19 Ketchikan EOC Actions:

- The EOC is fully staffed and is preparing for recovery efforts while remaining vigilant and enhancing preparedness.
- The Ketchikan Daily Situation Report will incorporate “Community Lifelines”: <https://tinyurl.com/yccm5o3f>
- Phase 2 of the Governor’s Reopening Alaska Responsibly Plan has begun.

Operations

- The testing hotline number 907-247-TEST (8378) is available M-F 8am – 6pm, Sat 10am – 4pm, and closed on Sunday to screen and refer symptomatic individuals for testing. The hotline has taken **140 (+8)** calls with **20 (+2)** testing referrals.
- **The first 24 hour composite COVID-19 test sample has been sent to the lab. Results expected within a week.**
- PeaceHealth is using QUAIGEN and Abbott ID Now testing in house; effort to secure consistent reagent supply continues.
- All hand sanitizer refill stations have been established and are being maintained.
- Provided testing information to local dentists and the updated testing flowchart to care providers.
- In conjunction with LSC, FSC, and Public Health, prepared for drive-up testing operation next week.
- In conjunction with LSC, began demobilizing Porta-Potties.
- Finalized details for free drive up testing event to take place next week May 12, 13, and 14 from 10am to 3pm

Planning

- Developing plans/guidance regarding re-opening businesses & facilities to include process & timing considerations.
 - Recovery Unit Leader developing draft recovery plans for review by Policy Group.
- We have learned that Princess, Holland America, and Seabourn Sojourn have cancelled all calls to Alaska for 2020.

Logistics

- Developing an EOC policy for distribution of PPE to responders, healthcare providers, and critical infrastructure
- Ordered 150 more test kits from State Virology Lab, ETA Tuesday.
- Acquired freezer for storage of collected specimens during Drive-Up testing event.
- 6 testing machines on Island: PeaceHealth 4 Abbot ID Now & 1 QIAGEN, KIC 1 Abbot ID Now; 2 outside testing companies.
- Testing supplies:

Test kits	Complete*	Reagent	Tubes	Swabs
In stock	1,613 (-32)	1,209	2,170	0
On order	12,000	1,170	3,500	1,335 (+825)

*This is the total number of test kits available both as complete kits, and as a combination of components.

Finance

- The cost of Ketchikan’s local government response efforts to date is \$793,861 or \$57.31 per capita. In-kind support from State and Federal agencies increases the total to \$1,587,195 or \$114.66 per capita.
- PROC working with ABBOTT and Quest for routine resupply of test kits.
- **PROC ordered 825 swabs.**
- **Coordinating with Peace Health to obtain more test kits for their ABBOT ID NOW machine.**
- FSC and PROC coordinating with OSC on drive up testing operations.

PIO

- Continues to release multiple social media updates throughout the day (**Drive-Up Testing Clinic, Hand sanitizer refill stations, Case count and testing update**).
- **Finalized COVID-19 testing resources flyer.**
- Continues to broadcast PSA’s on local radio and television.
- Medical supply donations can be dropped off at Saxman Community Center uphill side from 9am to 4pm Mon-Fri.

LIAISON

- Responded to questions, concerns, and complaints regarding re-opening.
