(Significant changes from previous situation reports are in red)

## COVID-19 Alaska Specific Information:

- Alaska Department of Health and Social Services [COVID-19 Dashboard](#) , [Health Alerts](#) and [Mandates, Plan for Phase 1](#)

## COVID-19 Ketchikan Specific Information: Ketchikan Gateway Borough [COVID-19 Response Page](#)

## COVID-19 Unified Command Objectives:

- Safeguard health & safety of personnel and the public
- Slow/stop the spread of COVID-19
- Increase COVID-19 testing capacity
- Define end state when EOC can close
- Care for the sick
- Provide public information
- Mitigate community/economic impact

## Community Lifelines

## COVID-19 Ketchikan EOC Actions:

- The EOC is fully staffed and is preparing for recovery efforts while remaining vigilant and enhancing preparedness.
- The Ketchikan Daily Situation Report will incorporate “Community Lifelines”: <https://tinyurl.com/yccm5o3f>
- Phase 2 of the Governor’s Reopening Alaska Responsibly Plan has begun.
- **Public health distributed a COVID-19 testing flowchart to the local fish processors.**

## Operations

- The testing hotline number 907-247-TEST (8378) is available M-F 8am – 6pm, Sat 10am – 4pm, and closed on Sunday to screen and refer symptomatic individuals for testing. The hotline has taken **168 (+11)** calls with 20 (+2) testing referrals.
- The first 24 hour composite COVID-19 test sample has been sent to the lab. Results expected within a week.
- PeaceHealth is using QUAIGEN and Abbott ID Now testing in house; effort to secure consistent reagent supply continues.
- All hand sanitizer refill stations have been established and are being maintained.
- Provided testing information to local dentists and the updated testing flowchart to care providers.
- **Day 2 of the Drive Up testing operation completed. Performed 22 tests.**

## Planning

- Developing plans/guidance regarding re-opening businesses & facilities to include process & timing considerations.
  - Recovery Unit Leader developing draft recovery plans for review by Policy Group.
- We have learned that Princess, Holland America, and Seabourn Sojourn have cancelled all calls to Alaska for 2020.
- **SITL provided UC with updated Community Lifeline information and two example display products for review/approval.**

## Logistics

- Developing an EOC policy for distribution of PPE to responders, healthcare providers, and critical infrastructure
- Ordered 150 more test kits from State Virology Lab, ETA Tuesday.
- Acquired freezer for storage of collected specimens during Drive-Up testing event.
- 6 testing machines on Island: PeaceHealth 4 Abbot ID Now & 1 QIAGEN, KIC 1 Abbot ID Now; 2 outside testing companies.
- Testing supplies:

Test kits	Complete*	Reagent	Tubes	Swabs
In stock	<b>1,521 (-42)</b>	1,409	2,170	0
On order	12,000	1,020	3,500	1,335 (+825)

\*This is the total number of test kits available both as complete kits, and as a combination of components.

## Finance

- The cost of Ketchikan’s local government response efforts as of May 5 is \$1,207,894 or \$87.26 per capita. In-kind support from State and Federal agencies increases the total to \$2,001,228 or \$144.57 per capita.
- PROC working with ABBOTT and Quest for routine resupply of test kits.
- PROC ordered 825 swabs.
- Coordinating with Peace Health to obtain more test kits for their ABBOT ID NOW machine.
- FSC and PROC coordinating with OSC on drive up testing operations.

## PIO

- Continues to release multiple social media updates throughout the day (**Drive-Up Testing Clinic; Hand Sanitizer refill stations; Case count and testing update**).
- Continues to broadcast PSA’s on local radio and television.
- Medical supply donations can be dropped off at Saxman Community Center uphill side from 9am to 4pm Mon-Fri.

## LIAISON

- Responded to questions, concerns, and complaints regarding re-opening.
