- Alaska Department of Health and Social Services [COVID-19 Dashboard](#) , [Health Alerts](#) and [Mandates, Plan for Phase 1](#)

COVID-19 Ketchikan Specific Information: Ketchikan Gateway Borough [COVID-19 Response Page](#)

COVID-19 Unified Command Objectives:

- Safeguard health & safety of personnel and the public
- Slow/stop the spread of COVID-19
- Increase COVID-19 testing capacity
- Define end state when EOC can close
- Care for the sick
- Provide public information
- Mitigate community/economic impact

Community Lifelines

COVID-19 Ketchikan EOC Actions:

- The EOC is fully staffed and is preparing for recovery efforts while remaining vigilant and enhancing preparedness.
- The Ketchikan Daily Situation Report will incorporate “Community Lifelines”: <https://tinyurl.com/yccm5o3f>
- Public health distributed a COVID-19 testing flowchart to the local fish processors.

Operations

- The testing hotline number 907-247-TEST (8378) is available M-F 8am – 6pm, Sat 10am – 4pm, and closed on Sunday to screen and refer symptomatic individuals for testing. The hotline has taken **181 (+8)** calls with **39 (+19)** testing referrals.
- Wastewater testing for COVID-19 continues. First sample results are expected by May 18.
- A second lab has been identified to do wastewater testing. Results will be shared with ADEC.
- PeaceHealth is using QUAIGEN and Abbott ID Now testing in house; effort to secure consistent reagent supply continues.
- All hand sanitizer refill stations have been established and are being maintained.
- Day 3 of the Drive Up testing operation completed. Performed 44 tests. Total for three day testing event was 116.
- **New locations for additional testing are being explored.**

Planning

- Developing plans/guidance regarding re-opening businesses & facilities to include process & timing considerations.
 - Recovery Unit Leader developing draft recovery plans for review by Policy Group.
- We have learned that Princess, Holland America, and Seabourn Sojourn have cancelled all calls to Alaska for 2020.
- **Plan received from American Cruise Line, who desires to operate in Alaska starting in mid-June.**
- SITL provided UC with updated Community Lifeline Information and two example display products for review/approval.

Logistics

- Developing an EOC policy for distribution of PPE to responders, healthcare providers, and critical infrastructure
- Ordered 150 more test kits from State Virology Lab, ETA Tuesday.
- **Received 15,000 surgical masks, and 5,000 N-95 masks. Brings totals to 53,932 surgical masks and 5929 N-95 masks.**
- 6 testing machines on Island: PeaceHealth 4 Abbot ID Now & 1 QIAGEN, KIC 1 Abbot ID Now; 2 outside testing companies.
- Testing supplies:

Test kits	Complete*	Reagent	Tubes	Swabs
In stock	1,474 (+48)	1,409	2,170	0
On order	12,000	1,020	3,500	1335 (+825)

*This is the total number of test kits available both as complete kits, and as a combination of components.

Finance

- The cost of Ketchikan’s local government response efforts as of May 5 is \$1,207,894 or \$87.26 per capita. In-kind support from State and Federal agencies increases the total to \$2,001,228 or \$144.57 per capita.
- PROC working with ABBOTT, Quest, and Peace Health for routine resupply of test kits.
- PROC ordered more swabs.
- The City and Borough each received \$1million in CPV funding from the State of Alaska for responding to COVID-19
- FSC researching CARES act to see how it can be used to benefit Ketchikan.

PIO

- Continues to release multiple social media updates throughout the day (**Ketchikan Counts; Hand Sanitizer Refill Station Update; Thankyou Health Care Providers for Drive-Up Testing Clinic; State Guidance for Licensed Childcare Facilities**).
- Continues to broadcast PSA’s on local radio and television.
- Medical supply donations can be dropped off at Saxman Community Center uphill side from 9am to 4pm Mon-Fri.

LIAISON

- In concert with other officials, reviewed senior parents’ graduation parade plan, will provide recommendation to UC.
- Followed up on complaints regarding local bars not following health mandates; investigation found them to be compliant.
