## Ketchikan COVID-19 Dashboard

Last Update: 9/11/2020 at 5pm

COVID-19 Alaska Specific Information: [Alaska COVID-19 Dashboard](#)

### COVID-19 Unified Command Objectives:

- Safeguard health & safety of personnel and the public
- Prevent, Contain, and Stop the spread of COVID-19
- Expand local COVID-19 testing capacity
- Support care for the sick
- Provide public information
- Develop both Open and Closed Point of Dispensing (POD) Plans
- Determine future funding sources or constraints as emergency declarations and Federal funding options sunset.

## COVID-19 Ketchikan EOC Actions:

- New IAP approved for the Operational Period beginning today.
- Community Risk Indicators - Risk Levels – Mitigation Measures information is now included on the dashboard located at <https://kgbak.us/covid19> and included in daily test and case count updates.
- A new saliva based test has been approved by the FDA – Staff continues to research feasibility of use in KTN
- Public Health to hold open Point of Dispensing for regular flu vaccine on October 17 at K-Hi. 400 doses available.
- A plan is being developed for the distribution of a Covid-19 vaccine which is anticipated in late October at the earliest.
- Modifications to Health Mandate 10, Appendix 1 is expected soon. Surveillance testing of seafood workers is expected to be required.
- Initiated planning for Halloween festivity safety.

## Operations

- The testing hotline number 907-247-TEST (8378) is available M-F 8am – 6pm, Sat 10am – 4pm, and closed on Sunday to screen and refer symptomatic individuals for testing. Calls received: 1,605 (+54) Testing referrals: 348
- Continued wastewater testing and hand sanitizer distribution programs. The wastewater testing operation has been terminated due to the length of time between the collection of samples and the return of test results.
- 16,674 travelers have been screened resulting in 20 positive cases being identified since the start of the traveler testing op.
- Drive up hours have been expanded to 9:30 to 11:30 am and 2:30 to 4:30 pm Tuesday through Saturday weekly at Berth 3.
  - Samples collected; 59 drive-up , 160 airport, and 0 AMHS. Travel voucher testing is also available at the drive-up site.
- Finalizing power supply to new drive-up testing shelter.
- Working toward Traveler Testing Portal for testing documentation, and making other refinements to testing operations.

## Logistics

- 11 testing machines on Island: Peace Health 4 Abbot ID Now, 1 QIAGEN & 1 Cepheid, KIC 2 Abbot ID Now & 1 Luminex ; Power of Wellness 1 Abbot ID Now, Creekside 1 BioFire, 2 outside testing companies.
- Delivered masks to various agencies and testing supplies to Power of Wellness and long term care.
- Ordered more testing supplies.
- Testing supplies:

Test kits	Complete <sup>1</sup>	Reagent	Tubes	Swabs	Cepheid <sup>2</sup>
In stock	3,182 (-168)	705	2,248	0	1560
On order	0	1,020	0	1335	

<sup>1</sup>This is the total number of test kits available both as complete kits, and as a combination of components.

<sup>2</sup>These kits can only be used in the Cepheid testing machine and are not included in the Complete kit count.

## Finance

- Developed and finalized MOU between KIC clinic and COK for operation of the Luminex testing equipment.
- Evaluating the possibility of reimbursement for flu vaccines.
- Reported that end to current Health Emergency extensions last 30 days and the current one will expire on October 25.

## PIO

- Social media posts on Borough and City Facebook, Instagram, and Twitter: FAQ series; Why handwashing is important; Census updates; Active vs. Recovered cases; Alaska “Safe Travels” campaign
- Wednesday Display ad in KDN: What to do if you think you have been exposed to Covid -19.
- Revised messaging for testing times for Airport Traveler Testing site.
- Added FAQ’s and EOC Testing information to COVID-19 Response webpage.

## Liaison

- Developed boilerplate plan template to assist event organizers in writing a Covid-19 safety plan.
- Reviewed changes to Health Mandate 10 as it relates to surveillance testing of seafood processing workers.
