

KETCHIKAN GATEWAY BOROUGH, CITY OF KETCHIKAN, AND CITY OF SAXMAN

EOC UPDATE: NO NEW POSITIVE COVID-19 CASES

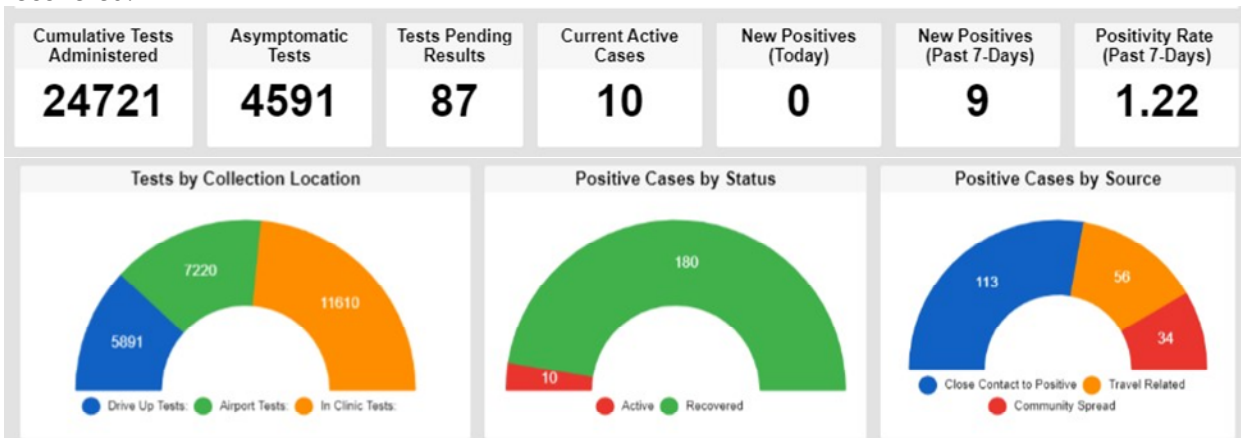

Date: November 28, 2020
From: Ketchikan Emergency Operations Center (EOC)
Contact: Kacie Paxton, Public Information Officer, 228-2464

For Immediate Release

There were no new cases of COVID-19 reported in Ketchikan today.

Hospitalization Update: We received no reports of any individuals hospitalized today in the PeaceHealth Ketchikan Medical Center (PKMC) Covid-19 unit.

The total cumulative Covid-19 case count, including travelers, is 203. The number of positive cases of individuals residing or staying in Ketchikan is **190**. Of the 190 cases, **10** are still active, and **180** have recovered.

Drive-Up Test Result Update: Due to the volume of testing at Berth 3 only positive results will be notified by direct phone call. The Berth 3 Drive-Up results are complete through Tuesday morning, November 24th. **If you tested on or before 11:30 am on November 24th, and have not been contacted, your result was negative.** Please refer to the dashboard at www.kgbak.us/covid19 for the most current information on Drive-Up Testing results. If you require a copy of your test result. Please send an email to info@creeksidehealth.com and include your full name, date of birth, date of test, and location of test, and your results will be emailed to you as soon as possible.

Our Community Risk Level remains at Level 3 – High. The EOC will reassess the Community Risk Level on Monday November 30, which will include consideration of the current risk level indicators as well as State of Alaska recommendations and CDC guidance.

For additional information on the Community Risk Level Matrix and the related mitigation measures, please visit: <http://www.bit.ly/ktn-covid19-risk>. Current information on the response to COVID-19 in Ketchikan is provided at www.kgbak.us/covid19.
