Ketchikan COVID-19 Dashboard

Last Update: 8/7/2020 at 5pm

COVID-19 Alaska Specific Information: [Alaska COVID-19 Dashboard](#)

COVID-19 Unified Command Objectives:

- Safeguard health & safety of personnel and the public
- Prevent, Contain, and Stop the spread of COVID-19
- Expand local COVID-19 testing capacity
- Support care for the sick
- Provide public information
- Develop both Open and Closed Point of Dispensing (POD) Plans
- Determine future funding sources or constraints as emergency declarations and Federal funding options sunset.

COVID-19 Ketchikan EOC Actions:

- New IAP approved for the Operational Period beginning today.
- Created draft Community Risk Indicators - Risk Levels – Mitigation Measures document that is being coordinated for stakeholder input. Available for public review at <https://tinyurl.com/ktn-covid19-risk>
- KTN contract tracing times continue to remain low, and statewide times have improved with added staff.
- The Governor announced changes to Health Mandates, with changes to 10.1 of the most general significance.

Operations

- The testing hotline number 907-247-TEST (8378) is available M-F 8am – 6pm, Sat 10am – 4pm, and closed on Sunday to screen and refer symptomatic individuals for testing. Calls received: 1,294 (+69) Testing referrals: 228 (+41)
- Continued wastewater testing and hand sanitizer distribution programs.
- 10,960 travelers have been screened resulting in 16 positive cases being identified since the start of the traveler testing op.
- Drive up testing efforts have been successful and will continue each week on Wed and Thurs from 11am to 1pm
 - Samples collected; 34 drive-up, 19 AMHS, and Power of Wellness to be AMHS alternate testing location.
- Finalized list for one-month supply of PPE. Working on a program to maintain that supply in reserve.
- Coordinating with fish processors to establish a surveillance testing program.
- Reviewed revisions to Health Mandate 10 and began adapting operation for using State online Portal.
- Reviewed local testing options to decrease turn-around time for the drive up testing operation.
- Visited airport and to view new location for traveler testing operation. Anticipated move date is 08/13.
- Continued planning to set up traveler voucher testing on town side of airport.

Logistics

- 9 testing machines on Island: Peace Health 4 Abbot ID Now, 1 QIAGEN & 1 Cepheid, KIC 2 Abbot ID Now; Power of Wellness 1 Abbot ID Now, 2 outside testing companies.
- Established protocols for distributing cloth masks and is delivering them to various agencies and organizations.
- Testing supplies:

Test kits	Complete ¹	Reagent	Tubes	Swabs	Cepheid ²
In stock	3,329 (-156)	705	1,984	0	1920
On order	10,000	1,020	3,500	1335	

¹This is the total number of test kits available both as complete kits, and as a combination of components.

²These kits can only be used in the Cepheid testing machine and are not included in the Complete kit count.

Finance

- Finance is in contact w FEMA regarding charges for Traveler v General Public testing to insure compliance and reimbursement. Conference call scheduled for Monday AM.
- Testing IFB is under review with FEMA and once approved, must go out for 21 day advertising period. IFB process does not stop current operations - is forward-looking and proactive and improves compliance with Federal guidelines.
