

KETCHIKAN GATEWAY BOROUGH, CITY OF KETCHIKAN, AND CITY OF SAXMAN

EOC COVID-19 COVID-19 CASE COUNT UPDATE: SEVEN NEW CASES

Date: February 3, 2021
From: Ketchikan Emergency Operations Center (EOC)
Contact: Kacie Paxton, Public Information Officer, 228-2464

For Immediate Release

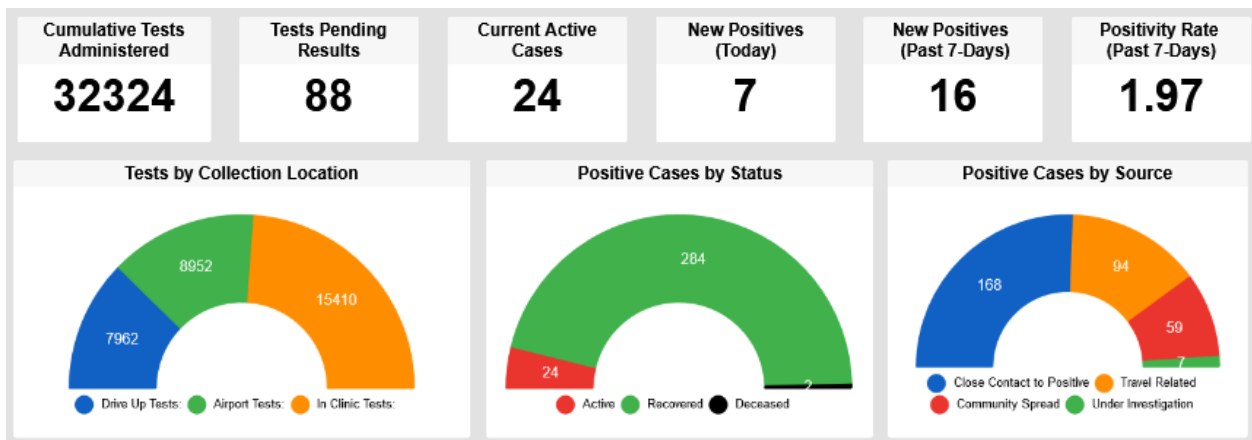

There were seven cases of COVID-19 reported in Ketchikan today.

- One of the individuals is symptomatic and was determined to be a close contact to a known positive. The contact investigation is complete.
- One of the individuals is asymptomatic, and the source and contacts are under investigation.
- Five of the individuals are symptomatic, and the source and contacts are under investigation.

During the contact investigations, Public Health will work with the positive persons to reach out to anyone who may be considered a close contact and instruct them to quarantine.

The two cases pending from February 2nd were determined to be community spread.

Today's cases brings the total cumulative Covid-19 case count, including travelers, to 328. The number of positive cases of individuals residing or staying in Ketchikan is **310**. Of the 310 cases, there are **24** active, **2** deceased¹, and **284** recovered.

¹ The number of deaths reported by the Ketchikan EOC is based on official notification from the Alaska Department of Health and Social Services.

The Community Risk Level is at Level 2 – Moderate.

Level 2 - Moderate	Moderate: Can travel outside home with safety measures Schools: Staff 100%, Students 100% with safety measures*** Indoor mid-size gatherings <50 with safety measures** Outdoor mid-size gatherings <100 with safety measures** Businesses limited openings with safety measures** Healthcare services with safety measures (e.g. elective procedures)** No non-essential visits to congregate facilities (e.g. nursing homes) Recreation with safety measures**
---------------------------	---

Drive-Up Test Result Update: Please refer to the dashboard at www.kgbak.us/covid19 for the most current information on Drive-Up Testing results. Only positive results will receive a phone call. The Berth 3 Drive-Up results are complete through **February 1st**. If you tested on or before February 1st and have not been contacted, your result was **NEGATIVE**.

Airport Traveler Test Results will be posted on the Covid Secure App through the Alaska Traveler Portal at <https://www.alaska.covidsecureapp.com>, with an email to the traveler. Public Health will follow up with a call to the positive person and will proceed with contact tracing.
