

KETCHIKAN GATEWAY BOROUGH, CITY OF KETCHIKAN, AND CITY OF SAXMAN

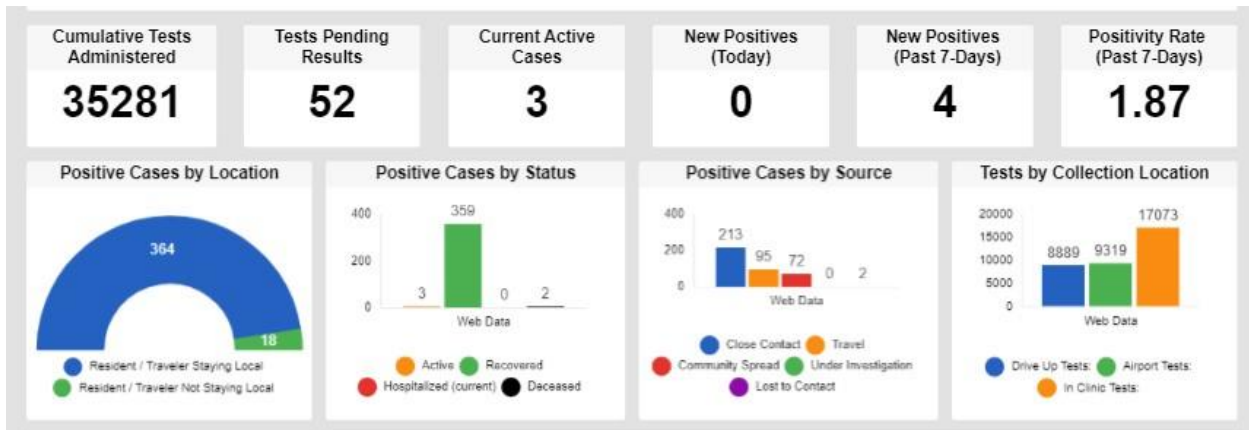

EOC COVID-19 CASE UPDATE: NO NEW CASES | UPDATED VACCINATION DATA

Date: March 1, 2021
 From: Ketchikan Emergency Operations Center (EOC)
 Contact: Kacie Paxton, Public Information Officer, 228-2464

For Immediate Release

There were no new cases of COVID-19 reported in Ketchikan today.

The total cumulative Covid-19 case count, including travelers, remains at 382. The number of positive cases of individuals residing or staying in Ketchikan is **364**. Of the 364 cases, there are **3** active, **2** deceased¹, and **359** recovered.

Updated Local Vaccination Data Available

The COVID-19 vaccine data has been updated and is available on the Ketchikan dashboard at www.kgbak.us/covid19. Ketchikan vaccination data is based on information available from the [State of Alaska Vaccine Monitoring Dashboard](#). Vaccination data for age 65+ is a portion of the age 16+ data, and not in addition to the data.

¹ The number of deaths reported by the Ketchikan EOC is based on official notification from the Alaska Department of Health and Social Services.

The Community Risk Level is at Level 2 – Moderate

Level 2 - Moderate	Moderate: Can travel outside home with safety measures Schools: Staff 100%, Students 100% with safety measures*** Indoor mid-size gatherings <50 with safety measures** Outdoor mid-size gatherings <100 with safety measures** Businesses limited openings with safety measures** Healthcare services with safety measures (e.g. elective procedures)** No non-essential visits to congregate facilities (e.g. nursing homes) Recreation with safety measures**
---------------------------	---

Drive-Up Test Result Update: Please refer to the dashboard at www.kgbak.us/covid19 for the most current information on Drive-Up Testing results. Only positive results will receive a phone call. The Berth 3 Drive-Up results are complete through **February 27th**. If you tested on or before February 27th and have not been contacted, your result was **NEGATIVE**.

Airport Traveler Test Results will be posted on the Covid Secure App through the Alaska Traveler Portal at <https://www.alaska.covidsecureapp.com>, with an email to the traveler. Public Health will follow up with a call to the positive person and will proceed with contact tracing. For questions regarding airport test results, call the Capstone Triage Line at 907-864-4642.

Current information on the response to COVID-19 in Ketchikan, including additional data regarding Ketchikan's community risk, and local vaccination data, is provided at www.kgbak.us/covid19.
