

KETCHIKAN GATEWAY BOROUGH, CITY OF KETCHIKAN, AND CITY OF SAXMAN

EOC COVID-19 UPDATE: No New Cases

Date: June 2, 2021
From: Ketchikan Emergency Operations Center (EOC)
Contact: Kacie Paxton, Public Information Officer, 228-2464

For Immediate Release

There are no new cases of COVID-19 to report today. Of the five cases pending investigation from June 1st, one was determined to be close contact to a known positive case, three were determined to be community spread, and one case remains under investigation.

Public Health and School District Nursing Staff will work with the positive cases to identify close contacts, and will reach out to anyone identified as a close contact and instruct them to quarantine and seek testing as appropriate.

Hospitalization Update: There are currently **NO** individuals admitted in the COVID-19 unit at PeaceHealth Ketchikan Medical Center (PHKMC).

The total cumulative case count, including travelers, is **673**. The number of positive cases of individuals residing or staying in Ketchikan is **652**. Of the 652 cases, there are **22** active, **2** deceased, and **628** recovered.

Community Risk Level 3 – High Recommendations for unvaccinated individuals:

Level 3 - High	Significant: Limit non-essential travel outside home (unless vaccinated) Schools: Reference KGBSD Plans/Policies*** Indoor: Limited small <20 mass gatherings with safety precautions (funeral, wedding, etc.) Outdoor: Limited small <30 gatherings with safety precautions Businesses limited openings with safety measures** Modified healthcare services (e.g. telemedicine, essential care, chronic care) No non-essential visits to congregate facilities (e.g. nursing homes) Recreation with expanded safety measures (e.g. low risk) **
